

# Dates For Your Diary 2019

We are pleased to announce that the WBS-UK will have closer ties with the British Hanoverian Horse Society in 2019 and will be combining our shows and stallion gradings. The Elite Foal Tour Championship will also take place on the evening of the show 7/09/19 at Moreton Morrell so this should be a full and interesting day.

**We can grade your mare at any of the venues** where the BHHS and elite foal tour are taking place, please confirm ASAP if you require this service so arrangements can be made for a judge to represent our society.
