

Free Meals

8 out of 10 pupils take their free meal, do you?

All children in reception, year 1 and year 2 are entitled to a free meal. Junior aged children may also be entitled to a free school meal. It could save you around £400 a year per child.

Applying is quick, easy and confidential, please contact us:

- Online:** www.derbyshire.gov.uk/freeschoolmeals
Email: checking@derbyshire.gov.uk
Phone: 01629 536400 or 01629 535743
Form: paper forms are available from school.

Derbyshire Catering Service COVID-19 Response

Since March, 98% of the schools we serve have been open. We have continued to provide a flexible service working with schools to ensure pupils and staff are safe, but more importantly pupils who need it are offered a nutritionally balanced meal.

Here is small recap of what we have been up to:

- Created 6,700 food hampers for pupils including provision for Easter and the summer holidays
- Implemented new Health and Safety procedures to keep staff and pupils safe
- Developed new menus which can easily be eaten in different dining environments i.e. a classroom, whilst still meeting strict Government School Food Standards and our quality mark “Food for Life Served Here”
- Created 168 different medical diet menus
- Purchased new kitchen equipment to meet service demands
- Welcomed 2 new schools into our catering family
- Helped 1,756 additional parents and carers to claim free school meals

Amongst all of this, our staff have found spare time to:

Decorate the house and upcycle old furniture

Sew scrub bags for NHS staff

Bake cakes for NHS staff

Go shopping for vulnerable community members

Start a new healthy eating programme

Importance of a Hot School Meal

Derbyshire Catering Service are very proud of the food we serve and are pleased that recognition is growing nationally around the many benefits that school meals provide.

Our meals are prepared and cooked as you would make them at home and provide the familiarity of a cosy home cooked meal.

We want your child/children to enjoy school meals and these are some of the reasons:

- They are hot, healthy and nutritionally balanced
- Exceed Government School Food Standards
- Are cooked fresh on school site (or hub kitchen) every day
- Offer a selection of favourites and new dishes to provide choice and variety to suit all tastes
- Assist children by improved concentration and academic attainment
- Improves social skills and helps pupils to bond friendships by sitting together to eat a meal
- Enable children to try new foods that they wouldn't normally eat at home
- Cater for medical diets and staff are trained on allergens
- Use organic produce
- Are convenient for parents, value for money and most schools offer cashless payment
- Made fun by themed meals which are the same price as a regular meal

If your family circumstances have changed during COVID-19 your child/children could be entitled to a Free School Meal. Please visit:

All our meat is British and Farm Assured.

The meat in our burgers, meatballs and casserole are organic.

Waste oil from our fryers is turned into biodiesel.

Salad, vegetables, bread, fresh fruit and drinking water are freely available. Jacket potatoes and sandwiches are available in most schools, please check what the local arrangements are in your school. We endeavour to serve food as specified on the menu, however there are some circumstances when this isn't possible. You can be assured that these instances will be kept to an absolute minimum.

ALLERGY ICONS
