

11th June 2021

Last Day of Term, Thursday July 22nd

As we cannot have certain whole-school events for special days yet, I have thought very carefully about how to provide a different, but still special, last school day for all the children.

Using some of the funds raised from the Tea Towels (thank you!) I have arranged a Disco Bouncy Castle to be on site for the morning. This will be fully attended by a trained operative in addition to school staff. The children will each have a turn *if permission is given*.

To maintain our CV19 prevention standards, the interior will be thoroughly sanitised between different bubbles.

Please complete the Google Permission Form to tell school if your child can participate. The permission form can be completed via this link: <https://forms.gle/YBLDC2mU1bQvWvX66>

The Risk Assessment is [HERE](#) (and also within the permission form).

Additionally, I have arranged for an ice-cream van to visit school on the last day. I will let you know shortly about any spending money required.

This is the most enjoyable part of my job i.e. organising those special things which will be remembered by our children forever.

Kind regards

Mrs Parry
