

Hague Bar Primary Newsletter

Friday June 11th 2021

Announcement

One of our teachers, Mrs Garside, has taken the decision to retire this summer. Mrs Garside has been involved with Hague Bar Primary School for many years, and all children both past and present have benefitted from her dedication. I am sure you will, as we do, wish her a long, happy and healthy retirement.

Sex Education

Year 5 & 6 will soon begin their statutory Sex, Health & Relationships teaching.

We invite parents to view the videos prior to this commencing. A letter to Year 5 & 6 parents has been sent today explain dates and content. This also includes a Y6 consent form for a non-statutory teaching element (but recommended by the DfE and approved by our Governors) and again the video for this can be viewed prior.

Whitehall

Haddon Class enjoyed their day out at Whitehall on Wednesday especially the mini-zip-wire! I know the children (plus Miss Flynn, Mrs Cowell, Mrs Prophet and Mrs McLean) were rather tired the morning after. Hassop will be visiting Whitehall on Monday July 5th.

Tea Towels

You should have received your tea-towel/s by now and I hope you are pleased with it/them. You raised £182 for school which I am very grateful to you for. Please see the further letter about what this has been spent on.

Class Outdoor Performances/Goodbyes

Haddon: 2.15pm Wednesday July 14th

Hartington: 9am Wednesday July 14th

Hassop & Y6 Leavers: 2.15pm Tuesday July 20th

We know parents have felt rather left-out of school life with the many restrictions in place, both last year and this, and we have tried on certain occasions to find a CV19 compliant way to allow parents on-site. We enjoy sharing and celebrating the children's achievements with you and will arrange more parental on-site opportunities as and when we can.

For the above events, we insist social distancing is followed and that adults stay within their established family bubbles. Wear a mask whilst walking into school grounds but this can be removed once sat down. Please bring a picnic blanket to sit on (and an umbrella if wet!). Of-course if we are advised this should not go ahead because of CV19 then we will need to cancel and teachers will send a video recording instead.

On these days Mrs Wagstaff will run a cakes and refreshments stall – please bring a few coins (no change will be given). All monies raised will go to towards extra special things which benefit all the children.

Last Day

Please see the separate letter sent today. The Risk Assessment must be read and permission granted for participation. Link to permission form:
<https://forms.gle/YBLDC2mU1bQvWvX66>

Speed Camera

Mrs Wagstaff has been working with the local Police and is currently co-ordinating a group of adults to help slow the local traffic. The group will meet once every few weeks on different roads with a speed camera. The camera will record speeds which the Police will then use to contact drivers of persistent speeders. If you can spare any time and would like to be involved or discuss further, please phone or email the school office.

Mrs Rachel Parry
Headteacher
