## New Teacher for Hartington

Although we will be sad to say goodbye to Mrs Garside, we are delighted to announce that Mr Whibley will be teaching the class full time from September. I hope parents are pleased with this appointment and can be reassured their children will continue to benefit from a highly skilled teacher.

## Reports

These will be sent to parents/carers in an envelope (not by email) by Thursday July 8th. It is very important parents understand that schools have not been able to deliver the full curriculum for almost 2 years and therefore very few children will be at the 'expected standard' (which remains unaltered nationally) because they have not experienced all the areas of teaching necessary to meet this. However, this does not mean your child hasn't worked hard or is not progressing. As a reminder, schools are still in their 'catch-up' phase from CV19 lockdowns. Additionally, the DfE have just announced some funding will be available in the Autumn term which we will use as broadly as we can.

## Summer Holiday Sports

Message from UKSports: we are delighted to announce that we are now taking bookings for our summer camps.

## Instagram

We are having a 'push' on making our good name known more widely and have today opened an Instagram account for the school. If parents/carers could look out for

📷 haguebarprimary and follow/share us, that would be wonderful and a great way to help the school encourage more children to attend our great school. We are of course not expecting or encouraging any children to be using Instagram.

## CV19

I keep hearing about bubble closures from fellow Headteachers within New Mills. Please keep taking the precautions to prevent the spread of CV19. We have done so well and so far have not had to close any bubbles. However, we would have no choice if we had a positive case in school. I really don't want to be phoning parents just before the summer holidays and telling them they need to isolate. So hand gel, social distancing and masks remain as important as ever.

## Queen's Platinum Jubilee

There is an extra Bank Holiday next year for celebrating the Queen's Platinum Jubilee at the start of June 2022. As this will be in school holidays already, in order for the children to benefit, the DfE have instructed schools to alter their calendars to reflect an extra day's holiday. We will therefore be bringing the last day of school forward by one day and the 2021/2022 calendar on the school website will be amended.

Have a lovely weekend whatever you are doing.
