## PTA Postbox Challenge

Mrs Cooper and the PTA tell me you have raised an AMAZING **£1050** from sponsorships for the Post Box Hunt. *Thank you so much!* Participating children will be awarded certificates and something extra special during outdoor assembly. Funds will be used to benefit the maximum amount of children.

## Outside School

Please can everyone be aware that the pavements adjacent to school are narrow and to make room for all people. Unfortunately, some are using the road to walk on instead of the pavement. This is not safe. I ask you to please keep to the pavements and if these are busy then to wait until there is space. Some parents have to drive to reach our school, and I am delighted that these parents choose us and do make that journey. Some parents are able to walk to school and I am just as delighted that they want their children to attend their local primary school. We are a community and the space outside school is for all. Please set good road safety, car parking and respect examples to our children.

## CV19

We are hoping to be allowed to loosen some of our restrictions shortly. When I have processed the specific guidance, I will let you know the arrangements about: summer performances, leavers' assembly and next year's plans.

## Structured Conversations

These are still underway for some classes. If you have not yet made an appointment, please do so before the opportunity passes. The next review/summary of learning will be given in the July written report.

## Catch Up Tutoring

The second cohort letters have now been sent out to those children's parents who we felt would benefit from some extra tuition. This is in no way a criticism of your child's efforts or your own if you were supporting your child at home during lockdown. Some children have very minor gaps but as we wished to use the allocated funding, we have chosen as many children as possible to receive this. Unfortunately not all children could be selected but with groups of children being taken out of class there has been an increase in child:adult ratio in the class remaining, meaning all have benefitted from this scheme.

## Walking Bus

We are still wanting to resume the Walking Bus. Mrs Wagstaff will be happy to put you in contact with other like-minded parents if you would be able to offer to be an escort after school. Please call the office.

## Half Term

We break up for half term at 3-3.15pm on Thursday May 28th and reopen on Monday June 7th with Breakfast Club from 7.30am.

Wishing you all an enjoyable weekend. Try to keep dry.
