Covid 19

I do hope everyone and their families are well. If you or other people in your household become symptomatic over the weekends, do email this address:

headteacher@haguebar.derbyshire.sch.uk

and I will respond within 24hrs. School have access to various resources to help their community and I urge you to seek my support if you are struggling with early CV19 issues.

This Week

I am very much looking forward to 'being released' from my isolation on Saturday, but am mostly thankful that I am fully well.

School has had a particularly challenging time 'behind the scenes' this week which has impacted on staff capacity. I know all adults in school have been working especially hard in my absence, despite my efforts to maintain the day-to-day running of the school at a distance. My thanks to all my colleagues for being so supportive, as I know it has not been straightforward.

Dark Afternoons

It's that time of year when the darkness is suddenly upon us and it is still relatively early. Thinking about the children's safety, please can you check if your child's coat or bag has a reflective piece of material. If it doesn't, then school have purchased some reflective stickers. These will be available upon request at the school gates from Tuesday afternoon – a few stickers can be taken for using on either a child's coat/bag/lunch box if wanted.

Pyjama Day

A Children in Need Pyjama Day will be held on Friday November 20th. Children (and staff!) can come in pjs to school if they wish. A suggested donation of £1 for Children in Need will be very welcome. This can be given at the school gate into a tub so that no money is handled. I apologise this is not on the official day. We will take photos and put these in the newsletter next week. Amendments to photo permission (either way) can be made at anytime by emailing the office: info@haguebar.derbyshire.sch.uk

A lovely photo from Hassop this week showing the true joy of autumn.

Hope you all have an enjoyable and safe weekend.
