# Hague Bar Primary Newsletter

27th November 2020

## High Peak Toy Bank

If anyone would like to donate to this valuable cause, please either drop off a new wrapped and labelled gift in person at Potts Bakery this weekend/Monday, or you can donate via their Amazon wish list.

## Christmas Cards

I know many of you will be wondering whether Christmas cards are permitted this year. This is what we have decided after discussion in this week's staff meeting:

- Children can send cards to children/adults in their bubble only.
- Staff will donate to a charity of their own choice instead of sending Christmas cards.

## Christmas Performances & Light Up New Mills

We have had to make some changes to our Christmas events. Light Up New Mills evening is cancelled but please see the attached dedicated letter for details about this and the outdoor performances, as alternatives have been planned.

## Christmas Disco

Each class bubble has been gifted a Christmas disco on Thursday December 17th by UKSports. I am sure you will echo my thanks. On this day, you may send your child to school in non-uniform/party wear (although clothes/shoes must be warm enough for the usual outdoor playtimes).

## PTA Christmas Fair for Children (only)

The PTA will be running a mini Christmas Fair in the hall on Monday December 14th during the school day. Each bubble will visit the hall in turn (with cleaning of items in-between bubbles) and enjoy the activities and stalls.
Games will be 50p. Mrs Cooper will send a further letter shortly. Please note there will be no home baked items for sale.

## Last Day

A quick reminder that the last day of term is Thursday December 17th at 3pm/3.15pm.

## Musical Delight

All children will perform a song/musical instrument/poem on one afternoon at the school gate whilst parents wait to collect children at home time. Any adults waiting for children must adhere to social distancing and Tier 3 rules. We will open the school gates to allow maximum viewing and space between households. This is not a gathering.
**Haddon: Friday December 11th 2.45pm**
**Hartington: Monday December 14th 3.15pm**
**Hassop: Tuesday December 15th 3.15pm**

## Science

This week's photo shows Hartington's science work about teeth. What a great way to learn about this!

Hartington have had a fabulous week and even made it onto our school Facebook page. If you've not already heard their drumming, then treat yourself now…. Drumming Video.

## Haddon

As mentioned in the dedicated letter, I will be contacting all Haddon adults – if you can respond to this over the weekend I would be most grateful.

I hope the 'Christmas' word count isn't too much for you to tolerate in November!

Have a lovely weekend.

R Pring
