Wow!

What a fabulous display of outfits we had today! These are photos of each class bubble (only children with 20/21 website photo permission have been published).

Christmas

We will be organising the following, whilst adhering to CV19 constraints, for the upcoming festive season:

- Christmas lunch on Wednesday December 16th
- Christmas parties in bubbles
- A visit from Father Christmas
- An enterprising Christmas Craft week
- Child drawn Christmas Cards (PTA)

Additionally, we would like each class bubble to have the opportunity to perform a short festive display. I will confirm the arrangements of this with you all after half-term as this is a little complicated to ensure CV19 precautions are in place. At Hague Bar, all staff are trying their absolute best to retain these special times for both children and Mums & Dads.

Music

The Derbyshire Music Team, called Wider Opportunities have delivered two weeks of pre-drumming teaching to Hartington class. Thanks to parents of a Reception child, we have also been accepted into an outreach music scheme delivered by Chetham's School of Music. This will be focused in Hassop class during the next half term. For Haddon class we will be arranging music sessions from either Mr Whibley or Wider Opportunities soon.
