## Welcome Back

Happy New Academic Year from everyone at Hague Bar Primary School. Yesterday was a fabulous first day back with an overall school attendance of 92%. A few children will, rightly, be returning slightly later due to following quarantine rules, so we should be up to our normal attendance by next week; this is excellent. Thank you for trusting us with the return of your children. It was delightful to receive communications about how happy the children were on their first day back – here are Haddon class having a morning dance.

## What do if your child has a cold/cough

I have attached to this letter the nationally published guidance which illustrates how to decide whether your child needs to stay at home or not. Please keep for future reference. If we go into 'local lockdown' I will inform you of the latest procedure via email.

## Class Letters

Teachers will send out a class letter on ClassDojo during next week with updates and fine detail of classroom news. We are still in the process of transferring teachers and children to the right groups on ClassDojo but we should have that ready for you by Monday. Teachers are encouraged to keep a sensible work/life balance so may not reply to messages immediately.

## Parents

A very big well done to all parents, but especially new parents, who have managed to cope with lots of updates and new systems/timings. We are an understanding school and know what a challenge this must have been.

Kind regards

Headteacher
