Thursday Afternoon Activity Flying machines through history							
Look at pictures of aeroplanes through history (in pack) Read or listen to this book https://readon.myon.co.uk/reader/index.html?a=ff_firstair_f14 Learn about parts of an aeroplane https://www.youtube.com/watch?v=rD602zNMz14		Look at the pictures of flying machines throughout history. Pick two and compare them using a Venn diagram. Write a sentence/paragraph to describe one of the planes. Year 2 can complete Year 1 if Venn diagram are too difficult, I used them in French and I think they all managed. E-Book Year 2- 4			Look at the pictures of flying machines throughout history. Pick three and compare them using a Venn diagram. Write a sentence/paragraph to describe one of the planes.		

	Label a picture of the aeroplane	https://readon.myon.co.uk/reader/index.html?a=sle_airpl_f13 E-book for Year 3 and 4 https://readon.myon.co.uk/reader/index.html?a=shim_airpl_s14					
Thursday Afternoon Activity 2 Paper aeroplanes							
	Can be done on different day, depending on the weather (it'll be helpful for the children who are in and out of school if we decide when to do this, at the moment the forecast for Thursday is good). Make and fly different paper aeroplanes. Investigate which design or material is best. In school, you can measure using steps so you don't need to worry about the hygiene of using rulers. https://readon.myon.co.uk/reader/index.html?a=mfg_paaairp_s1 (it's an American book so you could discuss the different spellings of aeroplane.)						
Friday Literacy Poems							
	YR	Y1	Y2	Y3	Y4	Y5	Y6
	Read the Little Aeroplane poem or listen to an adult read it (in pack). Learn the poem and the actions and act it out for somebody at home or in school.	Read the Flying Machine poem (in pack). Challenge: Learn this poem and put actions to it and act it out for somebody at home or in school or write your own flying machine poem.				
Friday Activity 3 Invent and make a flying machine.							
	Use everything you have learnt this week about flying machines to build, make, create or draw your own flying machine. You can use cardboard, newspaper, plastic bottles, PlayDoh, Lego or anything else you can find. Be creative! How does it work? Can you make it fly? Where would you like to go in your flying machine?
