SUMMER TERM online classes start on MONDAY 20th APRIL.

The first HALF term will be 5 WEEKS until half term. (20th April – 23rd May).

We have tried to stick to our normal timetable as much as possible and details are below (ignore the colours). Once you sign into the classes you will be in a waiting room until the classes start.

PLEASE sign in 5 mins before the class starts and not after the class time.

The teachers have added a few new classes and a weekly 'GUEST' class (communicated each week) which will offer new styles and a bit of fun on a Saturday afternoon. If your son/daughter has always wanted to try a new style of dance – this might be the chance to so it – you do not have to stick to your normal classes – feel free to try new ones as well.

Attached is the sign up to class sheet. Please either email or send back form by SUNDAY so we can send details to you.

Ballet classes will be syllabus focussed with a view to still getting ready for exams when we can – hopefully in the AUTUMN TERM. If you would like your child to take exams – please ensure they take classes during the Summer term to keep up strength and technique, otherwise they will not be ready for an exam.

As promised, the class prices will be at a reduced rate and ALL the money will go to the teachers. You are able to pay per class or buy bundles. If we are lucky enough to get back to some sort of normality at any time – any money spent on online classes will be transferred against our normal lessons.

Please sign up for classes by SUNDAY for next week by replying to this email or filling in the attached form so Jane can sort out the logistics in time and read the health and safety guidelines at the bottom of this email with regards to dancing at home.

We are grateful for your patience, feedback and most of all support during these times and hope you are staying well and safe. Many thanks!
